Dear Chairman Price and Ranking Member Diaz-Balart

As you begin crafting the fiscal year 2022 Transportation, Housing and Urban Development bill, I respectfully request that you give consideration to the following funding priorities:

Provide a funding level of \$5,925,000 for Broadway Reconstruction from Jackson Rd to Beltline Road and Construction of Hike/Bike Trail along section as a community project funding request. The intended recipient is the City of Carrollton, Texas.

The project would be a valuable use of taxpayer funds as it would improved surface transportation, improved access to Trinity Mills Station TOD, Carrollton Gateway, and light rail transit, supports economic development and removal of blight, eased traffic congestion in I-35E corridor, provides multimodal transportation, constructs storm drainage system for improved drainage.

I certify that neither I nor my immediate family has any financial interest in this project.

Thank you for your consideration of these requests.

Sincerely,

Beth Van Duyne
Member of Congress
