The Honorable Tom Cole

Committee on Appropriations

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

As you begin crafting the Fiscal Year 2026 Interior and Environment bill, I respectfully request \$17,987,500 in funding for the City of Keller. The entity to receive funding is the City of Keller, located at 1100 Bear Creek Parkway, Keller, TX.

The funding would be used to support infrastructure updates and modernization of the Bear Creek water line system. This project is an appropriate use of taxpayer funds because it will help ensure access to safe drinking water, create good-paying jobs, and support the upgrading and modernization of America's drinking water systems.

The project has a federal nexus because the funding is for purposes authorized by 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Thank you for your consideration of these requests.

Sincerely,

Beth Van Duyne
Member of Congress
