Committee on Appropriations

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

As you begin crafting the Fiscal Year 2026 Transportation, and Housing and Urban Development bill, I respectfully request \$1,540,000 in funding for the City of Carrollton. The entity to receive funding is the City of Carrollton, located at 1945 E Jackson Rd, Carrollton, Texas.

The funding would be used to support the Downtown Carrollton Depot Adaptive Reuse Project that includes planning, design, and construction of utility connections to support public and private reuse options, as well as exterior and interior rehabilitation. This project is an appropriate use of taxpayer funds because it will support the development and operation of a widely-used public transportation system.

The project has a federal nexus because the funding is for purposes authorized by 5302(15) and (22) of title 49.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Thank you for your consideration of these requests.

Sincerely,

Beth Van Duyne (TX-24)

Member of Congress
