The Honorable Tom Cole

Committee on Appropriations

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting \$1,890,000 of funding for Water Line Rehabilitation in fiscal year 2025. The entity to receive funding for this project is Carrollton City Hall, located at 1945 E Jackson Rd, Carrollton, Texas 75006. The funding would be used for replacing aging infrastructure because the City believes providing quality drinking water to residents and businesses is a core function of local government. The City has approximately 13,000 linear feet of 45-50 year old water lines in need of replacement and rehabilitation along Vantage Drive, Willowgate Lane, Trend Drive, Realty Road, Venture Court, and Belt Line Road. The project is an appropriate use of taxpayer funds because it will allow the residents and businesses in the City of Carrollton to continue receiving quality drinking water.

The project has a Federal nexus because the funding provided is for purposes authorized by the 42 U.S.C. 300j-12. .

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
Member of Congress

Sincerely,

Beth Van Duyne
