Committee on Appropriations

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

As you begin crafting the Fiscal Year 2026 Transportation, and Housing and Urban Development bill, I respectfully request \$250,000 in funding for the City of Dallas. The entity to receive funding is the City of Dallas, located at 1500 Marilla St, Dallas, Texas.

The funding would be used to assess the safety along a 2.1 mile stretch of the Royal Lane Corridor in Northeast Dallas. This project is an appropriate use of taxpayer funds because it will address longstanding safety concerns along the road and enhance vehicle and pedestrian safety.

The project has a federal nexus because the funding is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Thank you for your consideration of these requests.

Sincerely,

Beth Van Duyne (TX-24)

Member of Congress
