Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for Alta Vista Drinking Water Line Replacement Project in Fiscal Year 2024. The entity to receive funding for this project is the city of Keller located at 1100 Bear Creek Parkway, Keller, TX 76248.

The funding would be used for the Alta Vista Drinking water line replacement. The project is an appropriate use of taxpayer funds because both the city of Keller, and city of Southlake believe providing quality drinking water is a core function of local government and a critical service to our rapidly growing communities. The line to be replaced is nearly 40 years old and is tasked with deliver over 2.5 billion gallons per year to serve 77,800 compared to 7,500 when built. The project has a federal nexus because the funding provided is for purposed authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12?

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.
