The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting \$5,000,000 for the Dallas Fort Worth International Airport Public Safety and Intelligent Parking System Project in fiscal year 2027. The entity to receive funding for this project is the Dallas Fort Worth International Airport located at 2400 Aviation Drive, DFW Airport, TX 75261. The funding would be used to deploy a camera-based situational awareness and investigative platform across terminal parking facilities and curbside areas to enhance monitoring and integrate in real time with airport police and law enforcement systems. The project is an appropriate use of taxpayer funds because it will improve detection and response to suspicious activity and vehicle-related crimes, strengthen investigative capabilities, and enhance safety for the millions of passengers, employees, and visitors who travel through DFW Airport each year.

The project has a federal nexus because the funding provided is for purposes authorized by 34 U.S.C. 10381.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Beth Van Duyne  
Member of Congress
