The Honorable Tom Cole

Committee on Appropriations

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting \$4,200,000 in funding for the Valley View Lane Improvements Project in fiscal year 2027. The entity to receive funding for this project is the City of Irving located at 825 W. Irving Blvd. Irving, TX 75060. The funding would be used to reconstruct and widen Valley View Lane between Belt Line Road to east of the Belt Line DART station from two lanes to four to accommodate the increase in traffic and contribute to the area's growth. The project will also include needed drainage improvements to address flooding concerns. The project is an appropriate use of taxpayer funds because it would reduce congestion, improve road safety, and upgrade infrastructure to handle increased traffic from nearby development.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Beth Van Duyne
Member of Congress
