Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Cheek-Sparger Road in fiscal year 2024. The entity to receive funding for this project is City of Colleyville located at 100 Main St. Colleyville, TX 76034. The funding would be used for road improvements. The project is an appropriate use of taxpayer funds because improvements and enhancements, the City will be using taxpayer funds to ensure a safe and efficient roadway. The project has a Federal nexus because the funding provided is for purposes authorized by Federal Highway Trust Fund. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Beth Van Duyne  
Member of Congress
