The Honorable Tom Cole

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting \$5,332,480 of funding for Northeast Tarrant County Radio Consortium Project in fiscal year 2025. The entity to receive funding for this project is Keller, TX, located at 1100 Bear Creek Parkway, Keller, TX 76248.

The funding would be used This project will sustain NETCO's P25 trunked radio system by performing five (5) platform changes in the radio network infrastructure (RNI) The project is an appropriate use of taxpayer funds because The funding will be used to perform five platform upgrades to the interoperable radio system that will greatly enhance the radio communications system used by public safety, fire and emergency medical first responders in six cities in Northeast Tarrant County as well as mutual aid partners throughout the region

The project has a Federal nexus because the funding provided is for purposes authorized by the section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Beth Van Duyne
Member of Congress
