The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting \$5,000,000 in funding for the Dallas-Fort Worth International Airport Terminal F Primary Passenger Processing & Baggage Infrastructure in fiscal year 2027. The entity to receive funding for this project is Dallas-Fort Worth Airport located at 2400 Aviation Drive, DFW Airport, TX 75261. The funding would be used for the construction of a high-capacity ticketing hall and the core structural, mechanical, and utility systems required to support a modern automated baggage handling system. The project is an appropriate use of taxpayer funds because it ensures that Dallas-Fort Worth Airport maintains reliability in function of a critical travel hub and screening capabilities for the safety of Dallas-Fort Worth residents and their destination areas.

The project has a federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Beth Van Duyne  
Member of Congress
