The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting \$15,000,000 in funding for Bear Creek Water Line Replacement Project in fiscal year 2025. The entity to receive funding for this project is City of Keller located at PO Box 770 Keller, TX 76244-0770. The funding would be used for infrastructure update and modernization. The project is an appropriate use of taxpayer funds because to ensure safe drinking water for all Americans while creating good paying jobs and upgrading and modernizing America's drinking water systems.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,  
Member of Congress

Sincerely,

Beth Van Duyne
