The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

As you begin crafting the Fiscal Year 2026 Transportation, and Housing and Urban Development bill, I respectfully request \$2,100,000 in funding for the City of Haltom City. The entity to receive funding is the City of Haltom City, located at 4801 Haltom Rd, Haltom City, Texas.

The funding would be used to support the design and reconstruction of Webster Street from US 377 to the shared city limits with the City of North Richland Hills. This project is an appropriate use of taxpayer funds because it will support the redevelopment of a widely-used street and replaces the 50 year old water and sanitary sewer mains.

The project has a federal nexus because the funding is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Thank you for your consideration of these requests.

Sincerely,

Beth Van Duyne (TX-24)

Member of Congress
