The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting \$1,500,000 in funding for the Downtown Carrollton Depot Adaptive Reuse as a Mobility Hub project in fiscal year 2025. The entity to receive funding for this project is the Dallas Area Rapid Transit located at P.O. Box 660163, Dallas, TX 75266-0163. The funding would be used to support the expansion of transit supportive development beyond the current downtown area including the planning, design, and construction for utility connections to support public and private reuse options, as well as exterior and interior rehabilitation. The project is an appropriate use of taxpayer funds because it would support multi-modal mobility, creating a safe and usable space near downtown Carrollton. The goal of this project is to preserve an important downtown historic resource and transform the depot into an asset for both DART's riders and the community.

The project has a Federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Beth Van Duyne
Member of Congress
