March 31, 2023

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for West Pipeline Road in fiscal year 2024. The entity to receive funding for this project is City of Euless located at 201 N Ector Dr Euless TX 76039.

The funding would include the removal and replacement of approximately 6,450 centerline linear feet of existing asphalt roadway with concrete pavement on West Pipeline Road between Arwine Court and Raider Drive in Euless, TX. This roadway is the common boarder between the cities of Euless and Bedford. The project includes utility improvements to municipal water and sewer, franchise gas, phone and cable. The project includes ADA related improvements to sidewalks, driveway crossings and intersections. The reconstructed street section will maintain the same width and lane configuration as is current. The new concrete streets will increase safety, reduce maintenance costs, provide an improved riding surface. The project is a joint project between the cities of Euless and Bedford.

The project is an appropriate use of taxpayer funds as it is a public roadway and utility improvement project. Taxpayers are the sole and direct benefactors of this project.

The project has a Federal nexus because the funding provided is for purposes authorized by Federal Highway Trust Fund.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Beth Van Duyne
Member of Congress
