Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Bedford Rd Low Water crossing in fiscal year 2024. The entity to receive funding for this project is City of Colleyville located at 100 Main St Colleyville, TX 76034.

The funding would be used to promote vehicle, cyclist, and pedestrian safety and transportation alternatives by widening the existing vehicular roadway and establishing a safe crossing for cyclists and pedestrians across Little Bear Creek.

The project is an appropriate use of taxpayer funds through improvements and enhancements, the City will be using taxpayer funds to ensure a safe and efficient roadway.

The project has a Federal nexus because the funding provided is for purposes authorized by Federal Highway Trust Fund.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Beth Van Duyne
