May 2, 2024

The Honorable Tom Cole  
Chairman  
Committee on Appropriations

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting \$1,200,000 of funding for Cheek Sparger/Martin Signalization in fiscal year 2025. The entity to receive funding for this project is City of Colleyville, located at 100 Main St Colleyville, TX 76034-2916. The funding would be used for infrastructure update and modernization. The project is an appropriate use of taxpayer funds because this project would provide signalization at an intersection of a minor arterial road and a major collector road as established in the City of Colleyville Master Thoroughfare Plan.

The project has a Federal nexus because the funding provided is for purposes authorized by [23 USC 133\(b\)](#)

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Beth Van Duyne  
Member of Congress
