The Honorable Tom Cole

Committee on Appropriations

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting \$6,000,000 for the City of Richland Hills Booth Calloway Road Reconstruction and Utility Replacement Project in fiscal year 2027. The entity to receive funding for this project is the City of Richland Hills located at 3200 Diana Drive, Richland Hills, TX 76118. The funding would be used to reconstruct Booth Calloway Road from Bridges Avenue to south of Glenview Drive, including full-depth pavement reconstruction, new curb and gutter, and replacement of aging water and sanitary sewer lines beneath the roadway. The project is an appropriate use of taxpayer funds because it will improve roadway safety and accessibility, ensure reliable water and sewer service, and reduce long-term maintenance costs for this critical north-south corridor serving residents and local businesses.

The project has a federal nexus because the funding provided is for purposes authorized by 23 U.S.C. 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Beth Van Duyne
Member of Congress
