The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

As you begin crafting the Fiscal Year 2026 Transportation, and Housing and Urban Development bill, I respectfully request \$1,500,000 in funding for the City of Coppell. The entity to receive funding is the City of Coppell, located at 255 E Parkway Blvd, Coppell, Texas.

The funding would be used to support an autonomous or semi-autonomous vehicle circulator service that would connect the DART Silver Line Cypress Waters station into the Coppell Business District. This project is an appropriate use of taxpayer funds because it will support the development and operation of the widely-used public transportation system.

The project has a federal nexus because the funding is for purposes authorized by 5302(15) and (22) of title 49.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Thank you for your consideration of these requests.

Sincerely,

Beth Van Duyne (TX-24)

Member of Congress
