The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

As you begin crafting the Fiscal Year 2026 Transportation, and Housing and Urban Development bill, I respectfully request \$3,000,000 in funding for the City of Euless. The entity to receive funding is the City of Euless, located at 201 N Ector Dr, Euless, Texas.

The funding would be used to support infrastructure updates by the reconstruction of Cresthaven Drive. This project is an appropriate use of taxpayer funds because it will modernize the current two-lane asphalt roadway to a 31-foot-wide curb and gutter concrete street from SH10 to S Pipeline Road and replaces an existing water line.

The project has a federal nexus because the funding is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Thank you for your consideration of these requests.

Sincerely,

Beth Van Duyne (TX-24)

Member of Congress
