The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting 3,100,000 for Terminal Exit Lane Program for community project funding request. The intended recipient is DFW Airport located at 400 Aviation Dr, DFW Airport, TX 7526.

The funding would be used for a Replacement of the manual swing doors at all terminal exit locations with Automated Terminal Exit Lane (ATEL) technology. The project is an appropriate use of taxpayer funds because Increase security profile of the terminal exit operating model by adding physical barriers, infrared sensors, and remote-control capability, Improve customer satisfaction with a simple, streamlined, touchless exiting experience, Enhance operational reliability and readiness by ensuring all terminal exits remain open during business hours.

The project has a Federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Beth Van Duyne  
Member of Congress
