Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Dallas Children Medical Center in fiscal year 2023. The entity is located at 1935 Medical District Drive Dallas, Texas 75235. I am submitting 3 requests for them listed below.

- \$1,000,000-The purpose of the project is to renovate and expand CMC Dallas' ED to improve quality patient care and safety, and to meet the needs of a growing pediatric population in North Texas.
- \$500,000 -Behavioral Health Safe Cars is a request in direct response to the delayed time to transfer pediatric psychiatric patients from CMC Dallas and Plano campuses to contracted behavioral health beds at Perimeter Behavioral Hospital of Dallas (Perimeter)
- \$903,734- The new Pediatric Mental Health Initiative formerly known as the BHIG led by Children's Health, in close collaboration with the Meadows Mental Health Policy Institute, is an innovative and collaborative approach to developing capacity within pediatric primary care to detect and treat behavioral health conditions

I certify that neither I nor my immediate family has any financial interest in this project. Sincerely,
Member of Congress"
